

JANUARY 2006

HAPPY NEW YEAR

I hope all of you had a great Holiday Season. We enjoyed seeing many of you here at the Lake landing some of the many trout planted so far this season. Fishing has continued to be excellent over the past month. The trout have settled in down near the dam on the Finisterra side of the Lake. Boaters have been anchoring in 40 to 60 feet of water from the spillway cove to the dam. The fish have been hitting power worms, power bait and some lures on or near the surface. Limits have been fairly easy even on off stock weeks. Water temperature is below 60 degrees and the visibility is exceptional at 40 feet.

**ATTENTION JANUARY MEETING AND TOURNAMENT ATTENTION
THE JANUARY MEETING AND TOURNAMENT DATES HAVE CHANGED
DUE TO A CHANGE IN STOCKING SCHEDULE**

Our January Meeting is now scheduled for Wednesday January 18th at 7 PM in the Lake Administration building. We will be taking sign-ups for the January Tournament, discussing current fishing conditions and viewing a fishing video.

Our January Tournament is now scheduled for Saturday January 21st from 6:00 AM until 11:00 AM with weigh-in at 11:15 AM. Fees are: Adults (18 and over) \$5.00
Teens (12-17) \$5.00 and Kids (11 and under) \$4.00.

TAGGED TROUT

100 Tagged Trout were planted on December 27th. These fish have a tag attached to their back.

WHEN YOU CATCH A TAGGED TROUT:

1. Remove the tag from the fish.
2. Take the tag to the LMVA Sales Office where you can redeem the tag for a prize.
3. Prizes include Line, bait packs, free rental boats, Trout Kits, Reels and Shimano Rod/Reel combos.
4. Please weigh your fish and tell the Sales Clerk your name and the weight of your tagged trout.

NOVEMBER AND DECEMBER TOURNAMENTS

We have enjoyed excellent participation for each of the first two tournaments this season. Lots of Angler of the Year points were earned and some nice fish were landed. We hope to see as many of you as in the first two events on Saturday January 21st. Remember that the tournament date has been changed to the 21st. Please call your friends that don't get the Fishing Club News and let them know of the change for January. The Mount Lassen Fish hatchery where all of our trout have come from this season had a conflict with the original stocking schedule. We had a stock on January 4th and another scheduled for Tuesday January 17th.

We hope to see all of you at the January events.
