Lake Mission Viejo Association
Declaration of Covenants Conditions and Restrictions (CCRs)
Selected Excerpts

Article VII, Section 3(a): Review of Plans and Specifications. No Improvements including any exterior changes or alterations in any existing Improvement, shall be commenced, erected or maintained upon the Lake Association Properties or upon any real property lying within the Control Area hereinabove defined until the plans and specifications therefore showing the nature, kind, shape, height, color, materials and location of the same shall have been submitted to the Committee and approved in writing by the Committee.

Article VII, Section 3(c): Correction of Defects. Inspection of work and correction of defects therein shall proceed as follows: (i) The Committee or its duly authorized representative may at any time inspect any Improvement, change or alteration thereof for which approval of plans are required... If, as a result of such inspection, the Committee finds that such Improvement, or change or alteration thereof, was done without obtaining approval...it shall notify the Owner in writing of failure to comply. The Committee shall have the authority to require the Owner to take such action as may be necessary to remedy the non-compliance.

Article X, Section 1: Easement on Lakefront Lots. The Owner...shall have the obligation to maintain in good condition and repair and in the working order, free of debris or other matter, the drainage system installed to drain the Swale. The Swale shall mean that area which is a depression surrounding the waters of the Lake which lies in the area extending to a distance of approximately fifteen (15) feet outside the bulkhead.

Article X, Section 2(d): Contamination of Lake. No rubbish, trash, or foreign matter of any kind shall be deposited in the waters of the Lake and no liquid or fluid of any kind shall be deposited in the waters of the Lake or allowed to flow into the waters of the Lake from any real property in the Control Area except such water, chemicals, additives and other matter which may be deposited in the waters of the Lake by the Board or the Lake Management Committee.

Please note that these are only brief citations of some of the issues of concern. Please refer to your copy of LMVA's and your own Homeowner Association's CCRs for more detailed and complete information.
